Financial Policy

Broken Appointments will be assessed a $35 fee when 24 hours prior notice is not given when canceling an appointment.

Patients without insurance are expected to pay with cash, check, debit or credit card the day the service is rendered, unless specific arrangements are made in advance.

Financial arrangements are available through CareCredit. To facilitate your treatment plan we participate in the 6 or 12 month plans offered by them. Ask us about the details.

Patients with insurance must pay their deductible and estimated portion of the charges on the day the service is rendered. As a courtesy, we will file your claim. You will be responsible for any amount not paid by your insurance. Please note that most dental insurance plans *do not* cover 100% of the cost of treatment. We will assist you in dealing with your insurance, but *the ultimate responsibility lies with you.* If your insurance company has not paid us within 60 days of the date of service, the balance will be due, in full, from you.

Returned checks are assessed a $25 service charge for each check returned by the bank. The service charge applies to all checks, regardless of the reason it was returned, including "Not Sufficient Funds."

Delinquent accounts that are turned over to a collection agency will be assessed a $50 delinquent fee. You will also be responsible for any collection agency fees.

I have read, understand, and agree to the above terms.
